Ava Briody	Xavier Thomas
Breahna Frankenfield	Yanielis Valentin-Gutierrez
Desteny Garcia-Konapelsky	Joslyn Yost
Elizabeth Korpics	

- c. That the following retirements be accepted:

Joan Dinbokowitz

Position: Instructional Assistant (full-time)
Effective: December 31, 2024

Sally Tresize

Position: Instructional Assistant (full-time)
Effective: November 4, 2024

- d. That the following individual be granted an extension to their Family Medical Leave:

Employee #0352: Extended through 11/4/24 (previously approved through 9/25/24)

- e. That the Executive Director be authorized to hire a replacement full-time Instructional Assistant, with ratification at an upcoming Joint Committee meeting.

9. BOARD POLICY UPDATING

RECOMMENDATION:

It is requested that the Joint Committee approve the following policy as presented.
This is the required second reading of this policy.

Policy 210, Use of Medications

MOTION BY: Director Patrick
SECOND BY: Director Recchiuti
ROLL CALL Motion carried by the following roll call vote: Aye:
Directors Faccinetto, Patrick, Recchiuti, Schenkel, White, Demko,
Dettmar, Makary, Soldridge – nine; Nay: none

Book	Policy Manual
Section	200 Pupils
Title	Use Of Medications
Code	210
Status	First Reading
Adopted	November 5, 2008
Last Revised	September 3, 2024

Purpose

The Joint Committee shall not be responsible for the diagnosis and treatment of student illness. The administration of prescribed medication to a student during school hours in accordance with the direction of a parent/guardian or family physician will be permitted only when failure to take such medicine would jeopardize the health of the student or the student would not be able to attend school if the medicine were not available during school hours.

Definition

For purposes of this policy, **medication** shall include all medicines prescribed by a licensed health care provider and over-the-counter medicines.

For purposes of this policy, **licensed health care providers** shall include licensed physicians (M.D. and D.O., physician assistants (PA), podiatrists, dentists, optometrists, or certified registered nurse practitioners (CRNP). Written directions from a CRNP for controlled substances must be cosigned by a physician or dentist.

Authority

The Joint Committee directs all school employees to comply with the Pennsylvania Department of Health's Guidelines for Pennsylvania Schools for the Administration of Medications and Emergency Care.

Before any medication may be administered to or by any student during school hours, the Joint Committee shall require the written request of the parent/guardian, giving permission for such administration and relieving the Joint Committee and its employees of liability for administration of medication or the written order of the prescribing physician, which shall include the purpose of the medication, dosage, time at which or special circumstances under which the medication shall be administered, length of period for which medication is prescribed, and possible side effects of medication.

Delegation of Responsibility

The Executive Director, in conjunction with the School's First Aid Officer, shall develop procedures for the administration and self-administration of students' medications.

1. Medication and any specific equipment necessary for the administration of medicine shall be provided by the parent/guardian.
2. All medications shall be administered by the First Aid Officer or designee, or self-administered by the student, upon written request.
3. Medications and any specific equipment for the administration of medication shall be securely stored and kept in the original labeled container(s).
4. The First Aid Officer shall maintain a record of the name of the student to whom medication is prescribed, the prescribing health care provider, the dosage and time of administration, and a notation of each instance of administration.
5. All employees involved in administering or supervising self-administration of medication shall receive appropriate training from the First Aid Officer before performing this responsibility.
6. Students may carry selected medication and may self-administer under controlled conditions with parental/licensed health care provider's written approval. The carrying of medications and self-administration of medication by a student during the school day shall be at the discretion of the First Aid Officer.
7. The administrator in charge and First Aid Officer shall review regularly the procedures for administration and self-administration of medications and shall evaluate recordkeeping, safety practices, and effectiveness of this policy.

Administration of Medication During Field Trips and Other School-Sponsored Activities

The Joint Committee directs planning for field trips and other school-sponsored activities to start early in the school year and to include collaboration between administrators, teachers, First Aid Officer, appropriate parents/guardians and other designated health officials.

Considerations when planning for administration of medication during field trips and other school-sponsored programs and activities shall be based on the student's individual needs and may include the following:

1. Assigning school health staff to be available.
2. Utilizing a licensed person from the school's substitute list.
3. Contracting with a credible agency which provides temporary nursing services.
4. Utilizing licensed volunteers via formal agreement that delineates responsibilities of both the school and the individual.
5. Addressing with parent/guardian the possibility of obtaining from the licensed prescriber a temporary order to change the time of the dose.
6. Asking parent/guardian to accompany the child on the field trip, with proper clearances.
7. Arranging for medications to be provided in an original labeled container with only the amount of medication needed.
8. Security procedures shall be established for the handling of medication during field trips and other school-sponsored activities.

12. CAPITAL IMPROVEMENTS – MAIN BUILDING MAKE-UP AIR UNIT REPLACEMENTS

INFORMATION:

The Administration has identified the need to replace the main building cafeteria, culinary and bake shop make-up air units. This project would not be addressed as part of the proposed expansion plan and was not included in that cost projection.

The Administration would like to solicit bids for the main building make-up air unit replacements project and wants CHA (previously D'Huy Engineering) to develop bid specifications and solicit bids for the project as soon as possible to complete the work this summer. An agreement for CHA's services will need approval. The bid award is expected to be presented at an upcoming Joint Committee meeting. The estimated cost of the project is \$450,000 and capital reserve funds would be used for the project.

RECOMMENDATION:

That the Joint Committee authorize the Administration to proceed with the specification development utilizing CHA and solicit bids for the main building make-up air unit replacements project.

It is further recommended that the Joint Committee approve the attached services agreement with CHA for the main building make-up air unit replacements project.

Ms. Debra Miller, Business Administrator
Bethlehem Area Vocational Technical School
3300 Chester Avenue
Bethlehem, Pennsylvania 18020

Re: BAVTS – Main Building Cafeteria/Culinary/Bake Shop Make-Up Air Unit Replacements
CHA Project No. 016000

Dear Ms. Miller:

CHA is pleased to submit a proposal for the Replacement of the three Main Building Make-Up Air Units (MAU) that service the Cafeteria, Culinary Arts and Bake Shop. The scope of work is to include the replacement of three existing MAU's including any required structural modifications and roofing modifications.

The schedule for the project is as follows:

Design and Bidding	Fall and Winter of 2024
Construction	Summer of 2025

The Total Project Budget including Construction, Design, Fee, and Contingency is estimated at \$450,000.00.

SCOPE OF SERVICES

1. Meet with the BAVTS and its representatives to verify the scope of work and parameters.
2. Perform field survey of the existing conditions to verify the scope of work.
3. Provide engineering, investigation and research for the preparation of bid packages.
4. File for PA Prevailing wages and incorporate wage requirements into contract.
5. Prepare project timelines for bid documents.
6. Prepare project bid drawings and specifications.
7. Prepare bid packages, advertisement for bid, and assist with soliciting bids from contractors.
8. Prepare bid alternates and unit prices for bid documents.
9. Conduct pre-bid conference, respond to contractor questions, and issue necessary addenda.
10. Review bids, prepare bid tabulation and assist with recommendation of award.
11. Prepare contracts, including review of bonds and insurance for conformance with contract requirements.
12. Conduct pre-construction conference.
13. Review and approve contractor's submittals and shop drawings.
14. Provide limited site representation to review construction methods and progress.

The fee for the above Scope of Services in accordance with the current Retainer Contract is as follows:

- i. CHA would provide design and limited construction administration services based on the Retainer Contract fee structure. The Engineering fee for these services would be 7.5% of the construction cost including all alternates.***

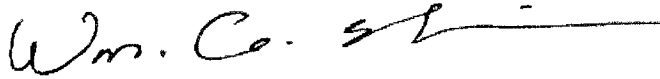

EXCLUSION

The following scope of services would not be included in the fee proposal:

1. Environmental investigations or specifications such as asbestos and contaminated soils.
2. Construction inspections and material testing.
3. Detailed construction cost estimates and guaranteed maximum prices.
4. Documentation of as-built conditions (available upon request for additional services).
5. Testing, detailed field investigations or probes, additional studies.
6. Reproduction of bid documents.
7. Fees for required municipal permits.
8. Scope of work parameters not listed above.

We thank you for the opportunity to provide this proposal and we look forward to working with Bethlehem Area Vocational Technical School. If the above is acceptable to you, please return one countersigned copy as your authorization. If you have any questions, please feel free to call.

Respectfully submitted,

Wm. A. Niswender,
Senior Project Manager

14. CAPITAL IMPROVEMENTS – ANNEX BUILDING EXTERIOR COLUMN REPAIRS & RELATED WORK

INFORMATION:

The Administration has identified the need for structural repairs of two exterior column walls located in the Carpentry and Building Trades shop areas. This project would not be addressed as part of the proposed expansion plan and was not included in that cost projection.

The Administration would like to solicit bids for the annex building exterior column repairs and related work project and wants CHA (previously D’Huy Engineering) to develop bid specifications and solicit bids for the project as soon as possible to complete the work this summer. An agreement for CHA’s services will need approval. The bid award is expected to be presented at an upcoming Joint Committee meeting. The estimated cost of the project is \$75,000 and capital reserve funds would be used for the project.

RECOMMENDATION:

That the Joint Committee authorize the Administration to proceed with the specification development utilizing CHA and solicit bids for the annex building exterior column repairs and related work project.

It is further recommended that the Joint Committee approve the attached services agreement with CHA for the annex building exterior column repairs and related work project.

I. (3.) HOUSE PROJECT UPDATE

INFORMATION:

The students are continuing to spackle and paint. They expect to be done by November so they can move on to finishing and the installation of the cabinetry and appliances.

NEW AND MISCELLANEOUS BUSINESS

The Joint Committee members present were advised of the following upcoming events: National Technical Honor Society (NTHS) Induction Ceremony is Thursday, October 10, from 6:00 p.m. - 8:00 p.m. Open House will be Wednesday, October 23, 5:30 - 7:30 p.m. Mrs. Meri Lindenmuth, Graphic Communications Instructor, advised the members that a group comprised of three of her students designed this year's invitation to the event. It was questioned if the holiday bazaar was going to take place again this year; Mrs. Lindenmuth, who is also Marketing Committee Chair, informed the Joint Committee that this year's event is scheduled for Saturday, December 7th (with a snow date of December 14th) from 10-2. Many more programs are interested in participating this year, so we are looking forward to another successful event.

Mr. Galler gave a "shout out" to Kurt Samson, Welding Instructor, who has been making efforts to resurrect an American Welding Society (AWS) chapter here at BAVTS. This past weekend the Fabricator Olympics were held on our campus with competitors from across the country participating. It was a very successful event.

Director Faccinetto posed a question to Attorney Spry regarding dissolution and if an appraisal of the building is necessary; the response from Attorney Spry was that he would have to look into that.

On a motion by Director Patrick, seconded by Director Soldridge, and all present voting in favor, the meeting was adjourned at 7:22 p.m.
